Stáv Training Weekend
Apr 4-5 2009
Winchester, VA
With Graham Butcher
Chief Instructor of Ice and Fire UK
<http://www.iceandfire.us>

What is it?

Stáv is probably the only authentic European body, mind and spirit training and martial art to have survived the creation of modern weaponry. Stáv literally means: 'Knowledge of the rune staves.' The martial art of Stáv is gentle and suitable for most persons. This weekend of Stáv training will provide an excellent introduction to Stáv for beginners and an

opportunity for continuation training for those with some experience.

What will it cover?

The sixteen runic stances, basic rune lore, staff training, health improvement and enhanced well-being through Stáv practice. Also covered will be martial practice, healing skills, rune counseling, Fylgae and bindrunes.

The Instructor:

Graham Butcher has been a master student of Ivar Hafskjold since 1992. He has been teaching Stáv since 1996 and created Ice and Fire in 2003 to promote and teach all aspects of Stáv
